

## MATERIALS SCIENCE and ENGINEERING

### Statement of Purpose & Application for Financial Aid

Please include form and personal Statement of Purpose with supplemental application documents.

---

Applicant's Name: \_\_\_\_\_  
Family Name First Middle Maiden

Please check one.

Degree Objective:  Master of Science (MS)  PhD Beginning in  Fall  Spring 20\_\_\_\_

Will you be a  Full-time or  Part-time student?

If your degree objective is the Master of Science, do you intent to apply for the PhD program after the MS is completed?  Yes  No

If you are accepted into the program and financial aid is not available, would you still attend?

Yes, I have other sources for funding  Probably Not  No

Please list the faculty member you would like to potentially work with: \_\_\_\_\_

---

Please check one research field that is the most applicable to you:

- Materials for Advanced Nano- and Microelectronics
- Materials for Energy Production, Storage, and Delivery
- Materials for Biomedical Applications
- Materials for Advanced Sensor Systems
- Materials for Aerospace and Space Systems
- Advanced Polymer Composites

**Please include a type Statement of Purpose that covers the following topics:**

- Describe your background and any research/employment history you may have in Materials Engineering.
- Describe your goals for graduate study and how they relate to the Materials Engineering Program.
- Discuss why you have selected the above research field and what you understanding the field.

I Acknowledge the above information is true and correct. I understand that misrepresentation or omission of information may cause loss of admission and/or financial Assistance.  Yes  No
